**5th Annual Casino Night Sponsored by CenterState Bank
"Local fundraiser to support children with developmental disabilities"**

Orlando, Florida (September 9, 2016) – Quest, Inc., a nonprofit organization serving individuals with developmental disabilities throughout Orlando and Tampa, Florida, announced today that 2016 will mark the 5th year of its Casino Night fundraiser. Over the past four years, this event, originally created by parents, has raised nearly \$45,000 for programs and services for Quest Kids Academy and other Quest, Inc. programs that support children with developmental disabilities in our community.

The 5th Annual Casino Night is being sponsored by CenterState Bank and will take place on **Friday, September 23, 2016 from 7-10pm at Winter Park Civic Center, 1050 West Morse Boulevard, Winter Park 32789**. This year's event will benefit children that attend Quest Kids Academy and Quest Kids Therapy.

"Last year, funding for early-intervention-services for children living with Autism Spectrum Disorder succumbed to legislative/gubernatorial politics and was cut from the state budget. Research has shown that early intervention provides children living with Autism the tools necessary to have a fighting chance at experiencing a typical life. The children who lost funding and need these services simply cannot afford them. This event benefits families that are in need of scholarship assistance for their children to continue services," said John R. Gill, President and CEO of Quest, Inc.

General admission tickets are \$35 (includes complementary food, beverage and casino game voucher). Please visit www.questinc.org/events to purchase tickets and for sponsorship and auction information.

The Casino Night committee would like to thank the following sponsors for their support: *Title Sponsor: CenterState Bank Other Notable Sponsors Include: Credit Cars, One Day Masterpieces, Carta Construction, Net Conversion, RetroFitness, All-In Casino Events, The Felice Center, Joyful Music Therapy, Orlando Pediatric Dentistry & Orthodontics, Sororidad Eta Gamma Delta, StarChild Academy and Winter Park Construction.*
