

Items to Bring

Welcome to Camp! Since we play hard at camp, please pack clothing and items that you won't mind getting painted, dirty, wet, or lost/damaged. Camp is hot and we will be sweating, so we usually only get one wear out of clothing items. We will do our best to keep everything together, and this is a much easier task if parents or guardians **LABEL EVERYTHING** before arriving at camp.

If guests are staying for multiple sessions, we will have the opportunity to do laundry on the Stayover weekend. Otherwise, please pack enough clothing and linens for the duration of your session.
